The feeling of Generation Y is omnipresent in Miami. With fascination in our luggage, we go back to celebrate the unique light and colour world of „ZOE“ at home. „Travel Styles - BALI“ celebrates pastel shades in floral and grassy motifs. Wavy abstractions almost create the sound of the waves.

MAHA. Dubai.

"MAHA" takes you up high. Cool, glass super-towers are visible from the blazing heat of the desert. Here the absolute silence, there the turbulent city. Contrasts everywhere: modernity meets tradition, elegance meets the casual chic of urbanity.

Art, culture and classic elegance. A meeting in a coffee house is a must, as is an impressed amazement at the magnificent history of this metropolis. In the city of great thinkers and artists, things are deep and appreciative.

BJÖRN. Stockholm.

Likeable is the new sexy and openness in thinking and styling is simply in. In the capital of understatement, the wind blows fresh, the sea is within reach and the colourful houses are so warmly inviting. A journey that feels like home.
